WHOLE SCHOOL WEEKLY ATTENDANCE 97.11%

Lots going on over the coming weeks....

Your children will be bring home lots of letters this week with lots of information about the activities happening in school between now and Christmas. Make sure you check book bags and emails to keep you updated.

Every year Archie Bones, year 5, and his brother, donate the monetary value of a Christmas gift to a charity. This year they have chosen the homeless charity, Crisis. Archie asked if he could donate £223.20 so that 10 people could have an amazing day where they would be fed, clothed, have a haircut, shower, access a doctor and dentist as well as housing and work/training support. We said we could not afford this, so he asked if we could raise the money by holding a cake sale. If you would like to support Crisis there will be a treat stall at school on Friday 18th November. If you would like to donate some cakes/cookies please could these be left in the staffroom by the morning of Friday 18th. Together we could make a big difference; come along and enjoy a treat.

Swimming

All our swimmers are doing well, this week Szaffi and Adam both achieved their 25 metre certificate with Szaffi also passing her Level 4.

Congratulations to both of them.
