## Autumn in Full Swing

We have been singing, dancing and writing poetry about Harvest and autumn this week.

Feeling the chill of the wind, witnessing beautiful rainbows and the damp smell of grass, has meant that we have experienced the change of the seasons through all our senses.

Harvest is a special time - especially in the community in which we live. We

must thank you all for the donations received for our Harvest auction. As you can see from the picture we have had a lot of homegrown produce, homemade bread and pickles. How wonderful that we are seeing the reemergence of people baking, growing and making food at home. Our garden-

ing club is full of enthusiastic children who want to learn these skills. It is hoped that we shall have a market garden and have produce to sell by early spring.

## School Dinners

Lisa Jones (our school cook) and myself, would like to thank every parent for supporting the changes in the way you order your children's lunches.

By ordering on Monday for the week it has cut the registration time each morning in class and the time we spend in the office recording and processing dinners taken. Please note—if you have lost the newsletter or need a slip for

ordering meals, you can find a slip and the menu on the website either by downloading the newsletter or under the 'School Meals' tab.

Could we ask that the choices are made with your children, we have had children not wanting what has been ordered. We all know Mum's cooking is always the best for example 'spaghetti bolognese' might

not be the same at school! Most children will have tried most things by now, so ask them what they have liked and what they haven't. Maybe try something new! There will be a new menu coming out very soon and this will start after the half term break.

## Gardening Club

Thank you to Geoff and Laura Bray for providing some additional soil for our veggie beds. We will be planting some of our winter vegetables to-night at gardening club and the rest at Monday's Club. Miss Jefferies would like to thank the parents who are helping too.

## After School Care-Club

### AFTER SCHOOL CHILDCARE

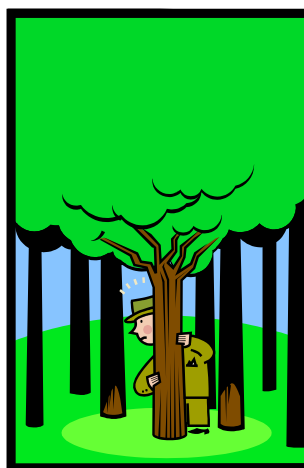

After school Childcare Club is available everyday from 3 -5.30pm. Please speak to Mr Richards if you would like to book a place (there is a charge for this childcare). We ask that all places are booked by the morning of the day you require care as there are days which are regularly over subscribed.

## Parents Forest Schools...

Would you like to experience what your children will be doing during their Forest Schools sessions?

We are planning a session for Parents and staff to spend a couple of hours with Lucy Green on Monday 20th October from 3.15-5.00pm. This will be for adults only—after school club will be running and you are welcome to use this (there is a cost for this). We may be able to use the school mini bus to transport people. We will be sharing this session with parents from Garras—an ideal opportunity for a 'getting to know you' time.

Please put your name down with Claire if you would like to attend.
