What's going on at Sithney

Caught on Camera

Huge congratulations to Jesse Lewis ,

for winning the Junior age group category in the Rotary Young Photographer District Final 2017.

Jesse initially won the Cober Valley Rotary club round and was then entered for the district competition. There are over 80 clubs in District 1175 and to be the Winner is a real achievement. The judges were impressed with the impact of his subject which was "reflections" and his lovely use of water reflections which were described as atmospheric, colourful and well framed. Jesse receives a certificate, signed book of photography and a workshop with Ross Hoddinott, one of the U.k's leading outdoor photographers and winner of the British Wildlife Photographer of the Year in 2009.

We hope that Jesse will inspire others to take part in the competition next year. Local junior schools are welcome to contact Cober Valley Rotary, Helston club for details.

Good luck for the future Jesse!
