Sithney CP School

What's going on at Sithney

Whole School Attendance This Week **95.4%**

Keep on Going...

With five and a bit weeks to go of this school year, this is when life starts getting hectic! Trips, sporting events, sports day after school events; not to mention the leavers service and Y5 & Y6 Camp!

Our first Zumba session was held on Monday and we were delighted that over 20 parents and children took part. Our next session will be on Monday 22nd and I hope to see all those

who watched last time joining in with the fun.

Football Club

Unfortunately there will not be any football club next week –Sorry.

Mullion Transition Days

A reminder to those Y6 children who will be going to Mullion in September - Wednesday you will be spending the morning at Mullion School.

Road Works...

Thank you for your considerate parking etc. on Thursday morning. Unfortunately we were not informed of these road works and so were unable to forewarn you of the disruption. We have made our feelings known and hope that should they have to do road works in the future they will give us some notice. Please remember that you should not park in the layby or on the verge up to the junction.

PE Kits

We have noticed that some children's PE kits are getting on the small side!

Can we ask that you check this next week, prior to the school sports day on the 24th June.

All children need a PE kit in school everyday with a change of footwear ideally trainers.

We would like to see more children in the Sithney kit of gold Tshirts and royal blue shorts in the future.

School Uniform

Over the next week or so I shall be sending home a uniform order sheet. We have changed the way in which we order items to cut down on the amount of stock we hold at school. Please complete the form and return it with the correct cash or payment, as stated on the form, you will have the chance to pay by credit/debit card which the supplier will process.

In the future we will only hold one item in each size, apart from the jackets which we will only hold one sample. Orders generally take 1wk-10days to arrive. As with any change there is a period of merging the processes, so you may receive part of your order as we hold the stock and then have to wait for the remaining items.

We hope to have all orders to you by the end of this school year.

Last Thursday a group of year 5 children were lucky enough to attend an event to launch the AZAB 2015 sailing race.

Sithney School are sponsoring Lucy Campbell a (former pupil) who at 16years old is the youngest competitor to entre the race.

It was great for the children to go on-board the Zulu Warrior and see what life is going to be like for Lucy in this 3 week mammoth return race. The Study Zone have been busy blogging and tracking Lucy's progress. You can do the same if you go to WWW.Azab

This morning (Friday) the children from the Study Zone called her by phone, to see how she was coping - thankfully the sea sickness has subsided and she is loving the experience.

There are lots of resources and information to share with your children if you go to the Kids Zone.

Well done Study Zone and Good Luck Lucy...
